*Children from The Church of Jesus Christ of Latter-day Saints wanted to find a unique way to share their testimony of the Savior. After learning about poetic symbols and representations of Christ in scripture, the children drew and wrote down evidences of Christ in the world around them. They used these metaphors to express what Jesus Christ means to them. These are their words, arranged by their music leader, Julia Kay Aho. **To learn more about Jesus Christ, click here.***

Moses 6:63 "And behold, all things have their likeness, and all things are created and made to bear record of me, both things which are temporal, and things which are spiritual; things which are in the heavens above, and things which are on the earth, and things which are in the earth, and things which are under the earth, both above and beneath: all things bear record of me."
